Sarthak Foundation Day 13 years of Inclusion and Empowerment of Persons with Disability

July 24, 2021 (Saturday)

Overview:

This **July 04**, Sarthak completed **13 years** of its initiatives and efforts for empowering people with disability far and wide. Way back in 2008, Sarthak was started with the hope of inclusion of Divyangs in mainstream and now with God's grace and faith of our supporters, we dream of a nation where no one is deprived of the basic right of contributing to its nation's progress on physical/ intellectual variance grounds. In this series, we are organizing a daylong event (Webinar) on July 24 featuring panel discussions on various pressing subjects of the disability sector. Due to the **Covid-19 pandemic**, this annual day will be held online through video conferencing (webinar) format

This event brings national and global experts together to bring knowledge and practical wisdom to our audience. These experts are senior politicians, bureaucrats, CSR leaders, Corporate, Champions with Disability and Senior Media Persons who bring extensive experience and insights on the subject.

Through its 6 panel discussions we look forward to deliberate and plan for bridging the barriers in the line of inclusion of People with Disability through digital mediums. And, further accelerate the pace of their inclusion led empowerment.
