

Agenda

Sarthak Foundation Day

Innovations for Disability Inclusive Development – InDID

July 7, 2023 (Friday)

Overview:

This **July 04**, Sarthak completed **15 years** of its initiatives and efforts for empowering people with disability far and wide. Way back in 2008, Sarthak was started with the hope of inclusion of Divyangs in mainstream and now with God's grace and faith of our supporters, we dream of a nation where no one is deprived of the basic right of contributing to its nation's progress on grounds of physical or intellectual difference. (www.sarthakindia.org)

This event brings national and global experts together to share knowledge and practical wisdom to our audience. These experts are senior politicians, bureaucrats, CSR leaders, Corporate, Champions with Disability and Senior Media Persons who bring extensive experience and insights on the subject.
