

Sarthak Vocational Skill Building Program for Persons with Disability

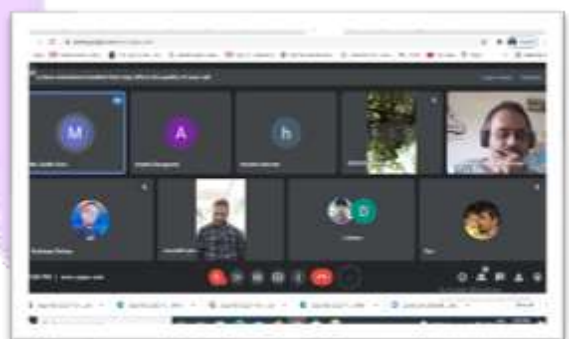

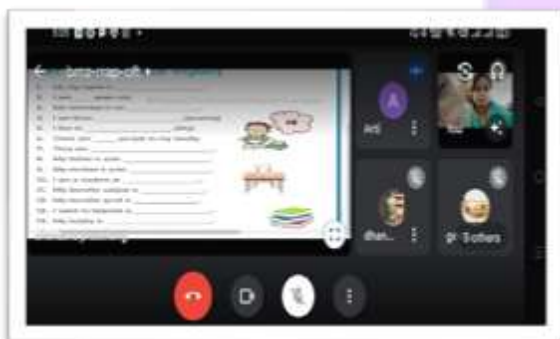

(Progress Report-October 2021)

Sarthak JEET Program for Persons with Disabilities

JEET (Job Entrepreneurship employment training for PWD) program prepares skilled resources and provides the persons with disability myriad employment opportunities. It aims at the development of skill with an intensive training program since a properly trained and groomed candidate who completes the training sessions is more probable to grab employment opportunities in a sustainable manner.

JEET program works for vocational skill building of PWDs between the age of **18 to 35 years** and equip them with required skills to get employed. The **3-month** free of cost Skill Development project aims to create the demand of the skilled workforce of persons with disability in various industries by way of carrying job mapping drives and making the candidates competent and skilled to perform the in different sectors like **Retail, IT, ITes Hospitality, E-Commerce, Banking & Financial Services, Insurance, Civil Aviation, Health and manufacturing sectors**. The regular assessment and mapping of the candidates help the trainers, access the performance and prepare them accordingly.

With this approach, Sarthak's JEET vertical witnessed an enrollment number of **683 candidates**. The number of registrations for October **295** and it successfully mobilized **276** candidates. We thank **Cogent E-Services, Vijaya Diagnostics, RRR Group, Jio Masters** and many more for being our hiring partners and marching ahead on this path of empowering persons with disability.

Trainee experiences from Sarothak JEET (Skill building program)

Charushila at Sarothak JEET program - Pune Center

“Due to the financial condition, I was searching for a job when my friend told me about Sarothak. Best thing about Sarothak is that they provide job opportunity and not just the training. I got myself enrolled and completed the training despite of network issues in the village. Today, I’m working and till date with my team, I have repaired 76 computers. I want to say this to everyone- Accept yourself first and you’ll succeed soon. I have learnt this from Sarothak only.”

Sonu at Sarothak JEET program – West Delhi center

“My Name is Sonu. I am 49% OH. I am Sarothak’s current trainee at Sarothak JEET program. I was lucky to get a call from Sarothak Educational Trust that guided me for skill building for employability. For things as small as introduction for self was difficult for me, but with Sarothak’s effort, this task became very easy for me. It not only instilled in me the confidence but also imbued in me the embrace my disability.”

Digital Literacy Training at Sarthak Educational Trust

We celebrate the networked world in myriad ways as it enriches our prospects but we often forget that it has also birthed a whole new territory of insecurities for the people who don't have access to this 'networked world'. Sarthak Educational Trust aims to bridge this gap and map things for the persons with disability. The digital Literacy program at Sarthak gives 15-day intensive training to people with disability because Sarthak truly believes that literacy goes beyond the ability of reading and writing; it is a social practice that enables people to learn and interact with the world.

The Digital Literacy Program Covers:

How to start small business, Online payment method, Overcoming Disabilities Stories of Successful alumnus for inspiration, Soft Skills, Time Management, Communication Styles etc and Govt. Schemes, Loan Opportunities available for PwDs by Government.

Sarthak has successfully enrolled **345 candidates** across the **24 centers** in the month of October.

Trainee experiences on Sarthak Digital Literacy Training

Lovely Naulakha – Sarthak Lucknow Center

“Hello my name's Lovely Naulakha. I am an OH candidate and the percentage of my disability is 100. Life with disability has been full of challenges. I came across Sarthak's digital literacy program that helped me learn about all the government schemes for disabled people, insurance schemes and also about various scholarships that I as an individual can avail. Apart from the professional enthusiasm it also instilled in us basic principles of career setting and conflict management. I am ever grateful to Sarthak for coming up with such a good intensive course.”

Sarthak's Entrepreneurship Training

Sarthak extends its full and unconditional support to the disabled, in terms of entrepreneurial and skill-based development models and opportunities. It seeks to equip them with all the necessary tools and the knowledge basis, to not only promote a successful business enterprise, but also sustain and flourish one. It lays out easy pathways for its beneficiaries, to procure loans from the government and private players. It helps to develop skills with respect to business analysis and assessment of assets to make the endeavor successful.

Sarthak offers specialized program to create a mental and infrastructural base of an entrepreneurial enterprise, such that it can thrive on its own in the hands of their promoters and give them emotional and financial fruits lasting a lifetime.

Session- Improving English Communication

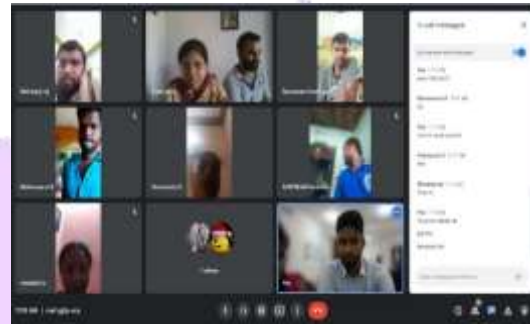

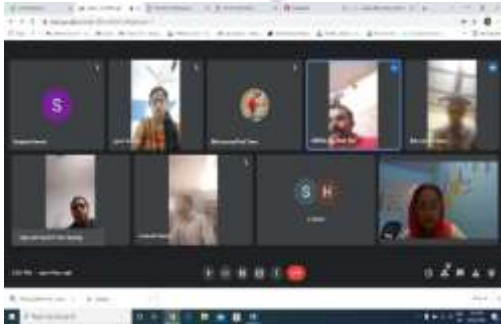

Session- Computer basics

Allied Activities at Sarthak

Sarthak believes in the holistic development, therefore conducts allied activities namely guest lectures, alumni meet, exposure visits and parent interactions. Here are glimpses of the online allied activities like stress & time management sessions having several participants learning from industry experts and guests.

CALL FOR ACTION

At Sarothak, we aim to bring about a revolution in terms of how the world looks at the concept of equality and inclusivity. We aim to aid those that have been deprived due to one or other disabilities and help them live a life of dignity and grace. To fulfill this aim, we need to meet special needs and requirements of people with special abilities. We need to design and work out special programs for like skill development and future employment of those who need it.
