

Sarothak Vocational Skill Building Program for Persons with Disability

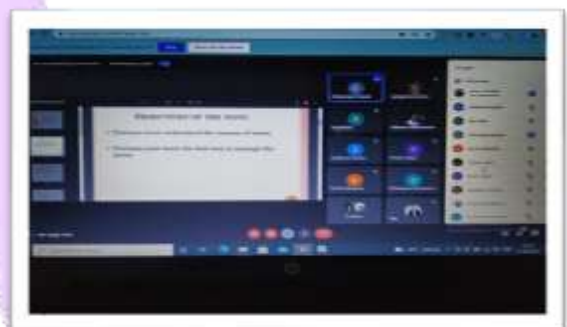

(Progress Report-September 2021)

Sarothak JEET Program for Persons with Disabilities

JEET (Job Entrepreneurship employment training for PWD) program prepares skilled resources and provides the persons with disability myriad employment opportunities. It aims at the development of skill with an intensive training program since a properly trained and groomed candidate who completes the training sessions is more probable to grab employment opportunities in a sustainable manner.

JEET program works for vocational skill building of PWDs between the age of **18 to 35 years** and equip them with required skills to get employed. The **3-month** free of cost Skill Development project aims to create the demand of the skilled workforce of persons with disability in various industries by way of carrying job mapping drives and making the candidates competent and skilled to perform the in different sectors like **Retail, IT, ITes Hospitality, E-Commerce, Banking & Financial Services, Insurance, Civil Aviation, Health and manufacturing sectors**. The regular assessment and mapping of the candidates help the trainers, access the performance and prepare them accordingly.

With this approach, Sarothak's JEET vertical witnessed an enrollment number of **167** candidates. The number of registrations for August was **481** and it successfully mobilized **590** candidates. We thank **OLX.co, DG online solutions Pvt Ltd, Hero Moto Corp, Diversified Network & Infra Solutions Pvt Ltd, Gopolicy Life** and many more for being our funding partners and marching ahead on this path of empowering persons with disability.

Trainee experiences from Sarthak JEET (Skill building program)

Sajid at Sarthak JEET program - Ghaziabad Center

“Hello my name’s Mohammad Sajid and I hail from Uttar Pradesh. My learning abilities has elevated because of Sarthak educational trust. I learnt soft skills here along with computer literacy. In just 4-5 months, I feel greater confidence in life. Not only this, I got placed in Indiabulls having a significant package and I’m doing great in life. Thanks to Sarthak for everything.”

Sonu at Sarthak JEET program – West Delhi center

“My Name is Sonu. I am 49% OH. I am Sarthak’s current trainee at Sarthak JEET program. I was lucky to get a call from Sarthak Educational Trust that guided me for skill building for employability. For things as small as introduction for self was difficult for me, but with Sarthak’s effort, this task became very easy for me. It not only instilled in me the confidence but also imbued in me the embrace my disability.”

Digital Literacy Training at Sarothak Educational Trust

We celebrate the networked world in myriad ways as it enriches our prospects but we often forget that it has also birthed a whole new territory of insecurities for the people who don't have access to this 'networked world'. Sarothak Educational Trust aims to bridge this gap and map things for the persons with disability. The digital Literacy program at Sarothak gives 15-day intensive training to people with disability because Sarothak truly believes that literacy goes beyond the ability of reading and writing; it is a social practice that enables people to learn and interact with the world.

The Digital Literacy Program Covers:

How to start small business, Online payment method, Overcoming Disabilities Stories of Successful alumnus for inspiration, Soft Skills, Time Management, Communication Styles etc and Govt. Schemes, Loan Opportunities available for PwDs by Government.

Sarothak has successfully enrolled **131 candidates** across the **24 centers** in the month of September.

Trainee experiences on Sarothak Digital Literacy Training

Guddi – Sarothak Kolkata Center

"Hello, My name's Guddi. I have locomotive disability. I have taken free of cost digital literacy training from Sarothak Educational Trust. Sarthak's Entrepreneurship Training

Sarthak extends its full and unconditional support to the disabled, in terms of entrepreneurial and skill-based development models and opportunities. It seeks to equip them with all the necessary tools and the knowledge basis, to not only promote a successful business enterprise, but also sustain and flourish one. It lays out easy pathways for its beneficiaries, to procure loans from the government and private players. It helps to develop skills with respect to business analysis and assessment of assets to make the endeavor successful.

Sarthak offers specialized program to create a mental and infrastructural base of an entrepreneurial enterprise, such that it can thrive on its own in the hands of their promoters and give them emotional and financial fruits lasting a lifetime.

A Stress Management webinar

CALL FOR ACTION

At Sarthak, we aim to bring about a revolution in terms of how the world looks at the concept of equality and inclusivity. We aim to aid those that have been deprived due to one or other disabilities and help them live a life of dignity and grace. To fulfill this aim, we need to meet special needs and requirements of people with special abilities. We need to design and work out special programs for like skill development and future employment of those who need it.
