

National Abilympic Association of India –Vocational Skill Competition for the persons with Disability

(Monthly Report- November 2021)

Abilympic (Olympics of Abilities) are vocational skill competitions specifically designed for persons with disabilities to enable them to expose their unique talents. Japan Organization for Employment of the Elderly, Persons with Disabilities and Job Seekers (JEED) has held Abilympic competitions since 1972 to enrich lives of persons with disability by training and encouraging them to pursue their utmost potential.

The first Abilympics competition was held in **Tokyo in 1981** to commemorate the **United Nations’ International Year of Disabled Persons (IYDP)**. Abilympics now takes place every four years, governed under the International Abilympic Federation, Japan, and has been internationally held in Tokyo, Japan (1981); **Colombia (1985); Hong Kong (1989); Perth, Australia (1995); Prague, The Czech Republic (2000); New Delhi, India (2003); Shizuoka, Japan (2007); Seoul, South Korea (2011); Bordeaux, France (2016)**. **Upcoming event for the year 2021-22 will be held in Moscow, Russia.**

Overview of National Abilympic Association of India

NAAI was launched basically to organize India’s participation in the 6th Abilympics to be held in New Delhi and in the subsequent international events. The association originated at Amar Jyoti, Charitable Trust in Delhi and has since then expanded to five zones across India.

The primary objectives of NAAI are:

- To develop, initiate and implement strategies to promote Abilympics in the country.
- To advocate, organize, and participate in regional, national, and international competitions to empower disabled persons.
- To provide exposure and equal opportunities to disabled persons to advanced technologies in various vocational, leisure and living skills.
- To help increase the confidence of those competing and provide memorable occasions for all persons involved.
